ARTIST WENDY TANCOCK TO APPEAR FOR SIGNING
AT TORONTO GIFT FAIR, JAN. 2019

High-profile Toronto artist Wendy Tancock will be at Abbott's booth for a product signing and to meet customers at the January CanGift show

TORONTO, December 06, 2018 — Abbott is inviting retailers to meet Canadian artist Wendy Tancock at their booth this January. Wendy's charming, whimsical and uniquely Canadian imagery has made her décor pieces highly popular and instantly recognizable. Wendy will be signing and handing out a numbered, limited edition 'Canadian Heroes' tea towel at the Toronto Gift Fair. She designed the tea towel exclusively for Abbott, in honour of the company's 70th birthday. Abbott is excited to host Wendy from 2pm to 3:30pm daily on January 27th, 28th and 29th, at the Toronto Congress Centre, North Building, booth #11025.

Abbott's collection of Wendy Tancock gifts and décor features high-quality mugs, tea towels, trays and tote bags. All tea towels are 100% cotton, machine washable and dryer safe. Abbott is a favorite with many show visitors because of their distinctive, fashion-forward products. They have proudly provided independent retailers with curated collections of home décor since 1949.
