

Canpar Express is committed to providing CanGift members with a number of partnership improvements, including excellent service, value to our customers, and product enhancement.

CanGift members can enjoy the best possible combination of value and service with the following benefits:

- Over 900 SMARTSpots available for parcel pickup
- API tools that allow members a choice of direct retail location delivery, eliminating residential surcharges and consolidation on billing
- Advanced Shipping Notification (ASN) notifies the consignee of the upcoming delivery
- Email/Text notification of delivery - we'll let you know via email or text when your package arrives

CanGift members can save up to 50% off domestic shipping
