YOUR RESPONSE BELOW IS REQUIRED

Appropriate protective footwear is required at EVERY Alberta Gift Fair at ALL times during move-in and move-out.

It’s the law!

In accordance with the Occupational Health and Safety Act, the Alberta Gift Fair requires that all reasonable steps and precautions are taken to protect the health and ensure the safety of all persons involved in the production of its shows. Preventing injury is a key objective; accordingly, every possible measure is taken to provide a safe, healthy work environment. To succeed, these safety initiatives require that every Exhibitor assumes responsibility for helping meet this objective. Exhibitors must, therefore, carefully read the applicable sections of the Occupational Health and Safety Act, in order to fully understand their responsibilities as they apply to themselves and their workers while at the show, including all activities within their own booth areas. For more information on the Act, visit the Occupational Health and Safety Act, Regulation and Code at humanservices.alberta.ca/working-in-alberta/307.html

All persons involved in the move-in/move-out process (i.e., setup and tear-down of a trade show) must be properly dressed and equipped to work safely in specific areas of the show deemed by the Act, or by an on-site Safety Inspector, as an ‘industrial’ environment which may involve the use of heavy equipment (forklifts, etc.), as well as ‘overhead activities’ (hanging signs, lights etc.). These areas, including areas in and around booths, may be marked off with safety cones or caution tape. Only persons wearing hardhats and safety shoes will be permitted into these areas until all work is completed.

Working in sandals/flip-flops/open-toed shoes/bare feet, etc. is strictly forbidden on the show floor. Any individual wearing inappropriate footwear will be prevented from entering the show floor by Alberta Gift Fair security.

HELP US ENSURE EVERYONE INVOLVED IN THE CanGift ALBERTA GIFT FAIR IS SAFE & PROTECTED!

Exhibitors are responsible for the health and safety of all employees and other persons on the show floor who are directly or indirectly under their supervision.

As an Alberta Gift Fair Exhibitor, it is your responsibility to inform/contact all persons you will be hiring (i.e., your staff and any outside contractors hired to set up your booth, bring in your product, or anyone required to be on the show floor during move-in and out), that they must wear safety shoes, as well as any other necessary protective equipment, to keep them safe from injury.
