

Dear Ms. Bassels,

My name is Navdeep Bhangu and I am the first place winner of the VMA Trade Show Design. I am a recent graduate from the Visual Merchandising Arts program at Conestoga College. I wanted to express my gratitude and thank you for taking the time out to attend the show. I am honoured in receiving first place in the VMA Trade Show Design. Winning first place alone meant so much to me the award money that came with it just added to the content I felt. When I accepted my award I felt a wave of confidence and pride that my instructors have vocalized to me over the past two years.

I have always thrived to demonstrate my perspective/ideas that are out of the box and being able to stand out in a crowd of creative minds is simply remarkable and so important to me. After completing my program at Conestoga I have found a great interest in Graphic Design. I plan to start a Graphic Design and Interactive Media program at the Toronto Film school, and in the future pursue a career as a Creative Director.

I am also thankful for Conestoga College for providing me the opportunity to display my work to the public. Studying here has been so fulfilling. I have learnt so much from my teachers and peers.

Once again thank you so much for presenting this award to me, receiving this award will support be immensely in the future. Lastly, the generosity and recognition from the CGTA will have a great impact on Visual Merchandising Program at Conestoga.

Best Regards,

Navdeep Bhangu
