Feel Good Gifts Inc. announces Canadian distribution of Donna Salyers Fabulous Furs

Feel Good Gifts is pleased to announce an exclusive Canadian distribution agreement has been reached with Donna Salyers Fabulous Furs. A little over 30 years ago Donna Salyers made her first faux fur coat. The sketch, the fabric, the style, and every stitch from neck to ankle. She couldn't afford the real deal, but she could create, sew and tailor with the flair just like household name designers. Scheduled to be on a TV show (based on her fashion sewing newspaper column) in New York, she was determined to go in style, with a hand-made, full-length "mink" capable of fooling the finest fashion houses. Thirty years later, Donna Salyers Fabulous Furs can be found in the finest retail stores in the United States and now in Canada through Feel Good Gifts. See the collection in person at the upcoming Toronto Gift & Home Market held August 11 -14 at the Toronto Congress Centre, Hall 1, both 1451.
